

SRCA ARCHITECTURAL APPLICATION CHECKLIST

Faux/Accent Stone

All accent stone, including faux or genuine stone on the front of the home and the rear, if lakeside, requires disclosure to neighboring properties and Architectural Committee review and approval prior to installation. Please allow sufficient time for review.

This checklist is for guidance ONLY-please refer to the SRCA Architectural Guidelines for the specific requirements relating to your project. You may require additional checklists, dependent upon the type of project proposed. Please contact our Architectural Liaison for additional information.

Please submit the following, in addition to your SRCA Architectural Application for SRCA review:

- Color photo of entire front of house, rear if it is on the lake (to show the whole home).
- Location of accent stone (house photo with shaded areas where stone will be added may be acceptable) with height details.
- Details on how stone will be applied and capped.
- Details on how stone will wrap around corners/columns, etc.
- Sample of stone (color brochure is acceptable).
