

Since AZ is only at the moderate stage of the pandemic, we would encourage you, when you can, to continue to use email and phone to communicate with us.
Please call the main office number at (480) 860-2022 to schedule an appointment.

Please note that we will have strict guidelines for those residents who must be in the office for those appointments.

Expectations of homeowner/residents making in-office appointments with a staff member:

- Face masks must be worn by employee and homeowner/resident at all times during the appointment.
- Appointment to take place in the conference room.
- Prior to confirming an appointment, we will ask the following questions:
 - o Have you traveled out of the state or country in the last 30 days?
 - o Do you or anyone who you reside with have any symptoms of COVID-19?
 - o Has anyone you have come in contact with in the last 30 days been diagnosed with COVID-19?

Office staff will continue to work their regular schedules either from the office or remotely from home and are available via email or phone during normal business hours. We will continue to stagger the number of staff members in the office at any one time.

If you need to send us something, please do so by email or US mail. We also have a permanent drop box which is on the wall by the bulletin board outside of the front office doors. If you have an item that is too large to fit into the drop box, please reach out to the office staff to make arrangements to drop the item(s) off at the SRCA office.

The Community Center is now available on a limited basis for board and committee meetings of no more than 30 people.

All clubs, groups and events have been cancelled until further notice.

ATTENTION!!

*The use of SRCA facilities and amenities are voluntary and **at your own risk.***

Scottsdale Ranch Community Association cannot ensure that all areas are free of COVID-19 or other pathogens.

The Association is not the guarantor of your personal safety.
