

Welcome to Scottsdale Ranch

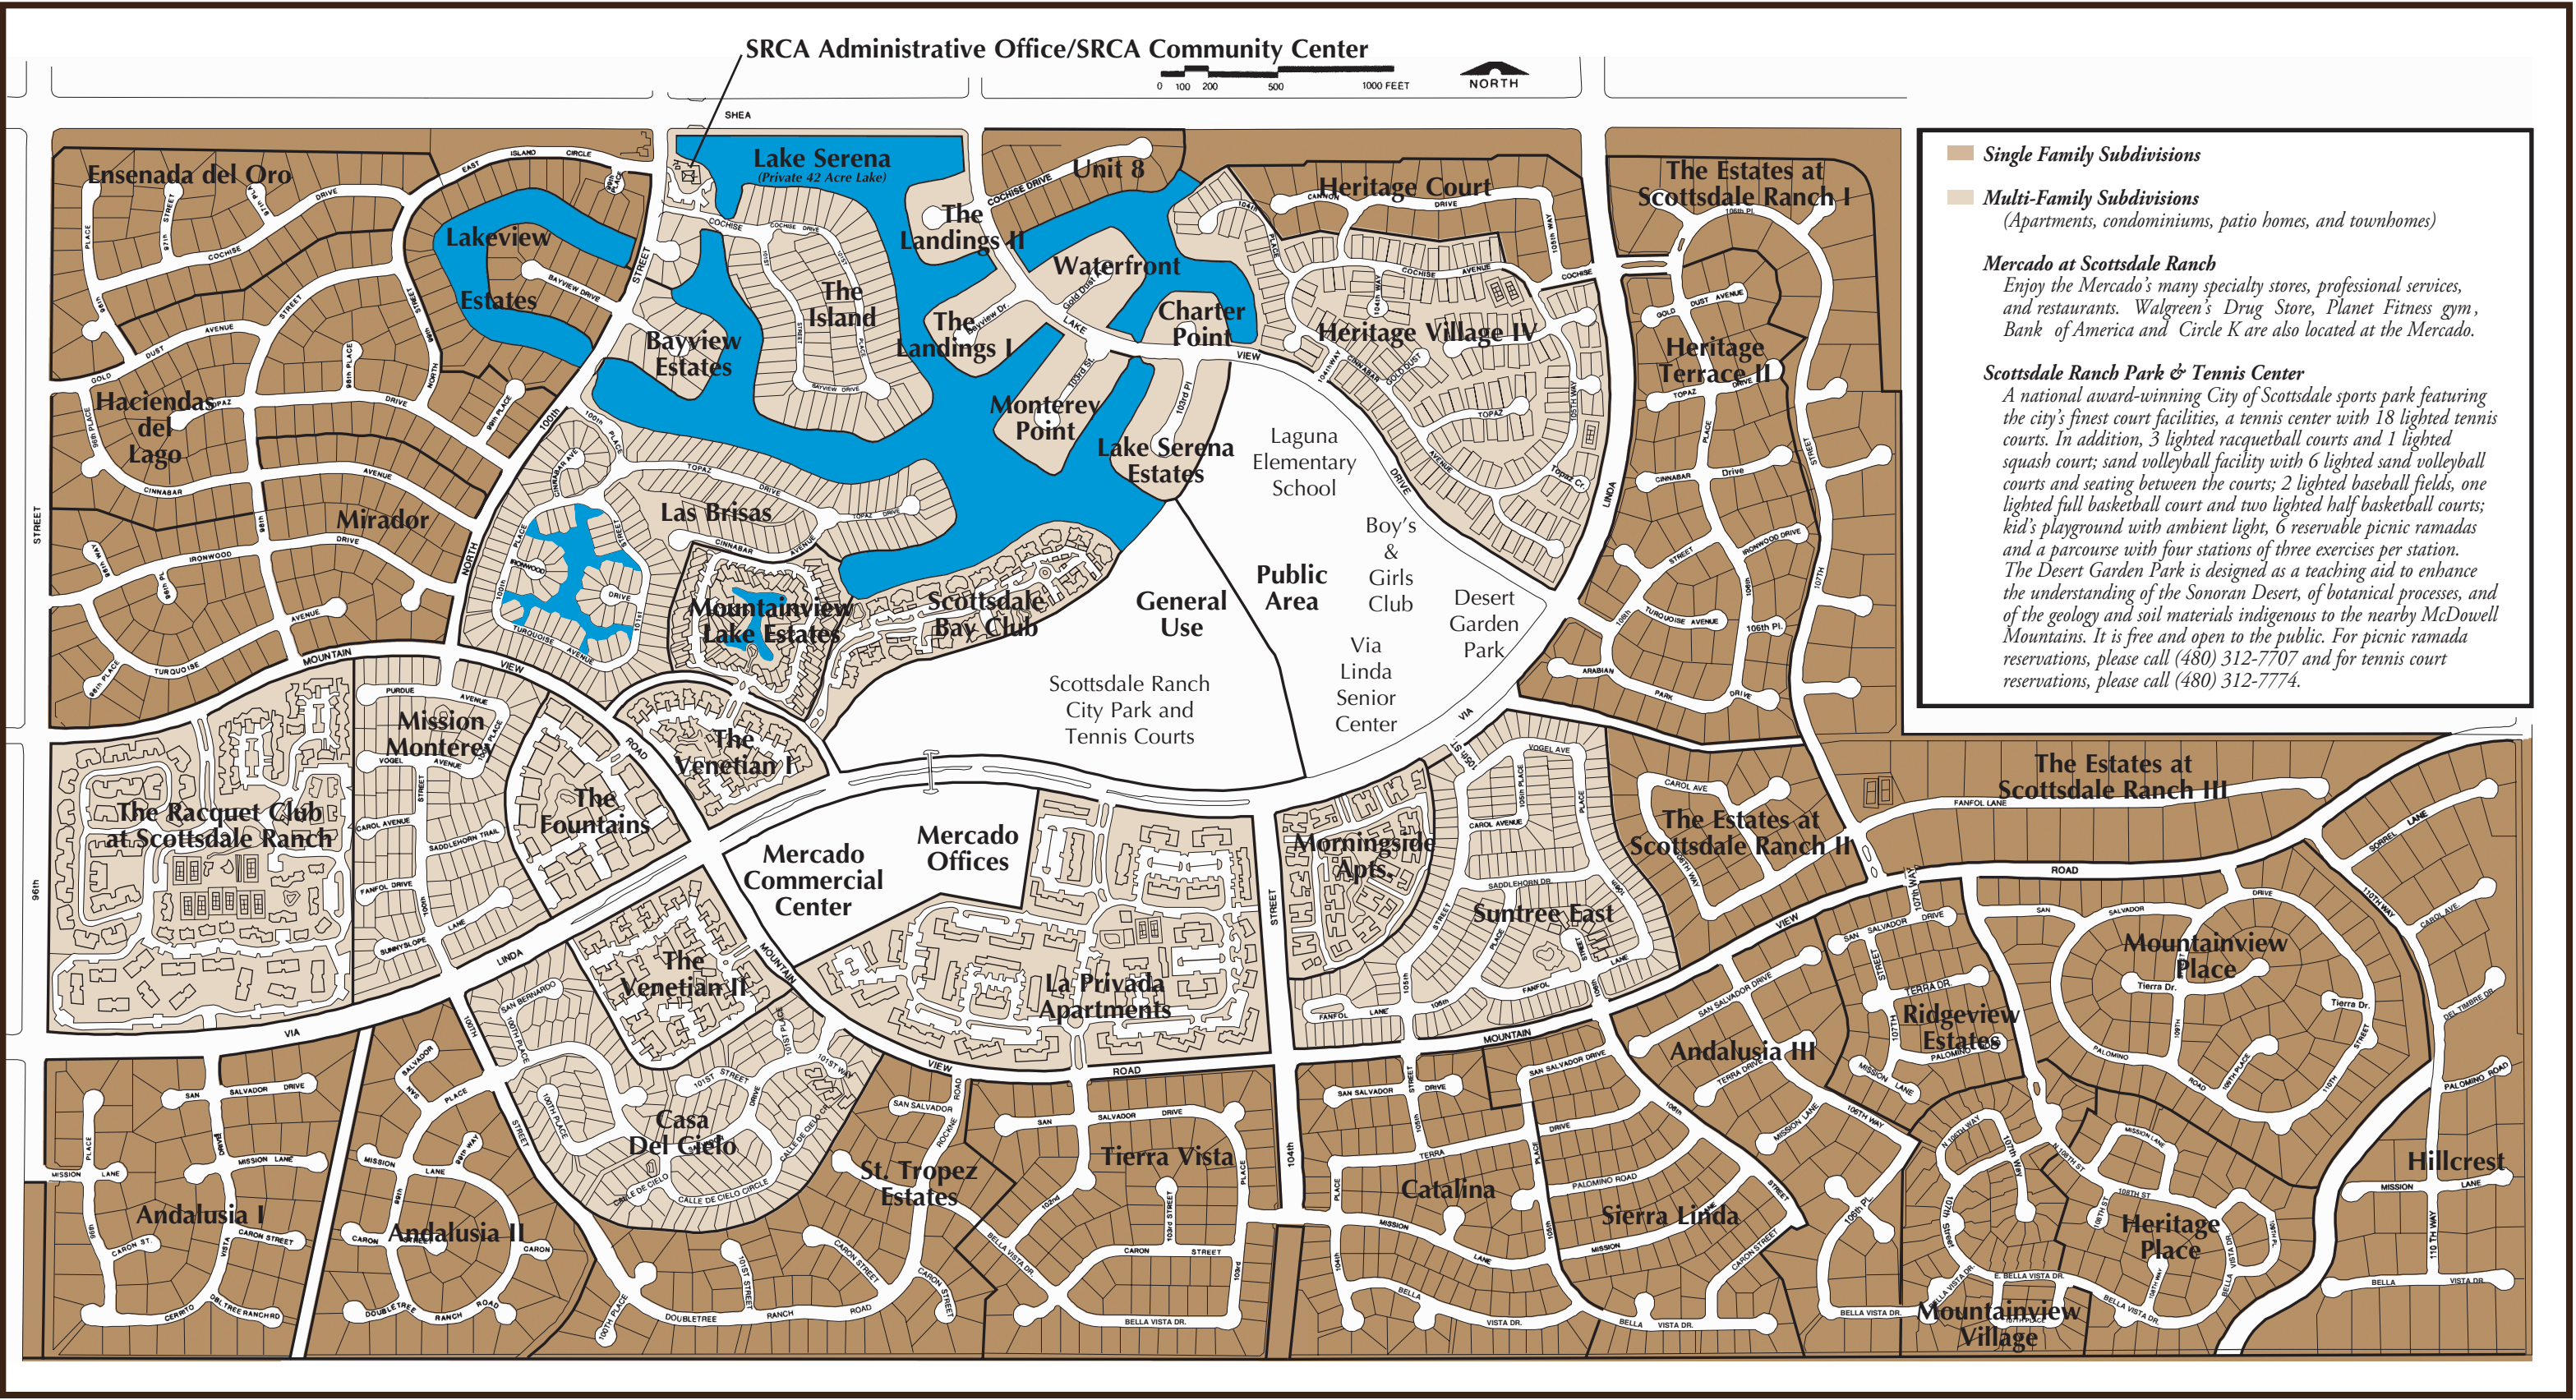

To discover Scottsdale Ranch is to discover a premier and progressive residential community attuned to your needs. At Scottsdale Ranch, you will find a community that reflects your taste and individuality, from waterfront luxury homes to private patio homes. Scottsdale Ranch was established in 1981 and encompasses 1,118 acres bordered by 96th Street on the West, 112th Street to the East, Shea Boulevard south to the Salt River Pima-Maricopa Indian Community. There are 3,938 homes/units in Scottsdale Ranch.

Scottsdale Ranch’s prestige is complemented by its luxurious amenities. Lake Serena, a forty-two acre, man-made lake offers fishing and boating and is considered a jewel of Scottsdale Ranch. Likewise, the Community Center, which also houses the administrative offices, provides a comfortable gathering place for parties, community events, or even a game of cards.

Conveniently located at the corner of Via Linda and Mountain View is the Mercado which offers a variety of specialty stores, restaurants, a drug store, offices, and professional services. Centrally situated in the heart of Scottsdale Ranch is a 64-acre general public use area featuring many fine amenities such as the Scottsdale Ranch Park, a beautiful Desert Garden, the Via Linda Senior Center, the Boys and Girls Club and Laguna Elementary School.

Just a short drive from Scottsdale Ranch takes you to Scottsdale’s famous resort facilities, world-renowned shopping, and fine dining. Downtown Phoenix, with its ever-expanding employment base, and Phoenix Sky Harbor International Airport are within easy commuting distance with simple access to the Loop 101 freeway.

The Scottsdale Ranch Community Association and the active participation of Ranch residents design the lifestyle, integrity, and aesthetics of our community. Visit our website at www.scottsdaleranch.org for more information about our fabulous community!
