(B & T) = BODY & TRIM

Palettes cannot be intermixed

BODY COLOR: for the main stucco body of the home. Houses do not need to be 2 colors. Body color is allowed for the body and trim.

TRIM COLOR: for pop-outs, trim around doors and windows, and front plant ledges.

FRONT WALL: caps and pillar tops to be HICKORY DEC759. Stucco face of the wall is to be the color of the body of the home.

INTERIOR COURTYARD WALL: walls facing into your lot may be the color of the body of your home or the color of the body of the home the wall is in continuity with.

FRONT WROUGHT IRON GATE: HICKORY DEC759 Oil Base Gloss finish or black gloss finish.

LAKESIDE WALL: wall facing the lake is to be SAHARA DEC747. Wall caps: HICKORY DEC759

LAKESIDE WROUGHT IRON FENCING: to be HICKORY DEC759 OIL Base Gloss Finish paint.

FRONT DOOR: may be: 1. wood stain, 2. painted to match the body color of the house, or 3. painted to match the trim color of the house. Glass doors require committee approval.

GARAGE AND GARAGE SERVICE DOORS: must be the same color as the body of the house. Trim around these doors may be either body color or trim color of the house.

DOCK: must be stained or painted a natural wood color. Refer to guidelines from SRCA.

SIDE GATE: is to be HICKORY DEC 759 Oil Based Gloss finish. Wood slat inserts are to be: 1. wood stain, 2. body color of house, or 3. Trek.
