

Dear Members of Scottsdale Ranch Women's Association,

Welcome to our 2022 - 2023 season!

The SRWA board met last week to finalize plans for this coming year. We have wonderful speakers planned for the year and fun fashion shows. When you filled out your questionnaire last meeting of 2022, we really looked at all of your ideas and have planned accordingly.

This year we will open our meetings each month with fun activities and games to get to know each other and also make our new members welcome and participants. This year our motto will be "Getting to know you", that wonderful song from the King and I, which will create new and lasting friendships.

We will have some new items for lunch and again most of it will be boxed but with a few new concepts. I know you will enjoy it all. Discussing lunch it will be very important to RSVP each month in a timely manner as we only have slots for 75 people as per our guidelines from the Scottsdale Ranch Community Center for the luncheons. This will assist in getting our order to our food vendor in advance of the meeting as they have to prepare in advance for food and labor.

We have had to raise our annual fees to \$75.00 which really equates to \$9.37 per lunch which in today's world is considered very inexpensive for a luncheon and speaker. Food costs are continuing to go up as we all know and our food vendor has worked closely with us to try to keep costs as low as possible.

We look forward to seeing you all back in the fall as well as new members so look for the packet which will be sent out in August. We recommend getting your application back to Marsha as soon as possible as we are limited to 100 members.

Enjoy your summer with family, friends and trips and we will see you back in the fall with fun experiences ahead.

Best,
Juli Feinberg
President
SRWA
