

### **Go Paperless with our eStatement Feature!**

Instead of receiving a physical copy of your account statement in the mail, why not sign up to receive your statement via email? Not only is this more convenient, as you can access your statement right from your phone, tablet or computer, it's also better for the environment as it reduces paper waste.

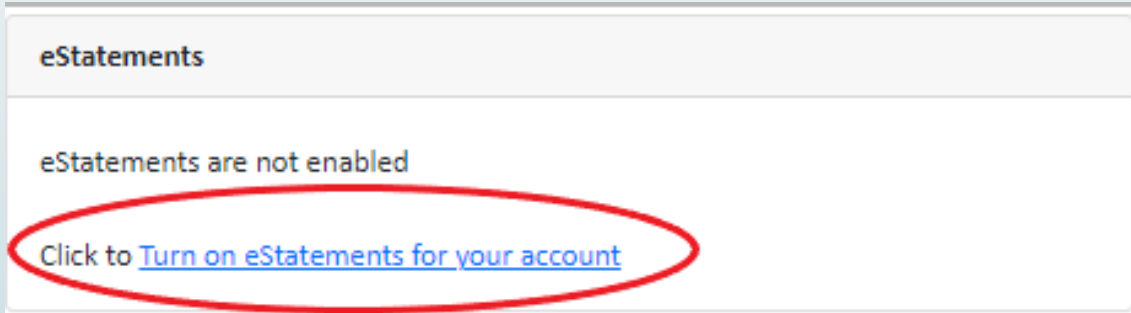

Here's a step-by-step guide on how to sign up for eStatements:

Log on to your SRCA community portal account. If you don't have an SRCA community portal account, you'll need to create one first. *(See end of article for instructions on where to go to create your SRCA community portal account).*

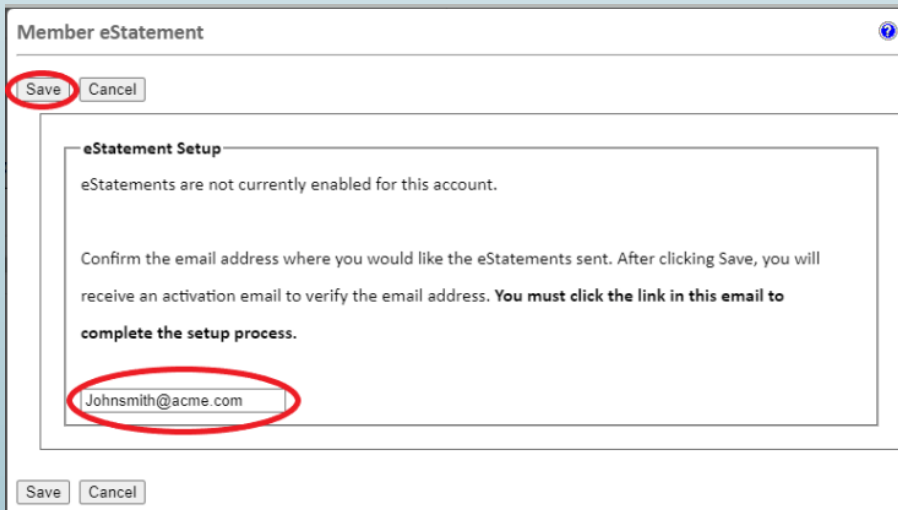

From the homepage click on "My Profile"

On the bottom right-hand corner of your profile page, you'll see the eStatements sign-up feature

From there, simply add the email address you'd like to receive your eStatement and click "Save"

Once you receive the email confirmation, just click on the link in the email to complete the set-up process!

If you have questions regarding your account, contact Ricki Stamos, SRCA Bookkeeper, at (480) 860-1259, ext. 14 or by email at [rstamos@scottsdaleranch.org](mailto:rstamos@scottsdaleranch.org)

- Please note: This eStatement sign-up information is only for SRCA (your master association). If you live in a sub-association, you must contact them directly to inquire if they offer eStatements.

To create your SRCA community portal account simply visit our website at [www.scottsdaleranch.org](http://www.scottsdaleranch.org), click on the "Homeowner Portal Login/Registration" button and follow the instructions. To obtain your account ID, complete and submit the request form on the homepage of the website. For additional information or assistance, please contact Genevieve Long, SRCA Community Relations, at (480) 860-2022 or by email at [glong@scottsdaleranch.org](mailto:glong@scottsdaleranch.org)
