

# 2024 Brush & Bulk Removal Schedule

## A Better Way for Brush & Bulk

Place your brush and bulk piles out **no later than 5 a.m. on Monday** of your collection week. Material may not be placed for collection any earlier than three (3) days prior to Monday of the week the area is scheduled for collection.

Please separate your brush and bulk pick up into two piles: one for green waste and one for everything else.

The piles should not exceed 10-feet long by 6-feet wide by 4-feet tall. Please place green waste and bulk waste piles at least 3-feet apart from each other and away from any objects obstructing pick up.

## Landfill Program

Through the city's contract with the Salt River Landfill, residential solid waste customers may haul up to 2,000 pounds of trash, brush or bulk items to the landfill once per calendar week (Monday through Saturday). If you exceed one landfill use per calendar week, the charges will be reflected on your next utility bill.
