

SRCA ARCHITECTURAL APPLICATION CHECKLIST

House Numbers

Please be sure your project meets any guidelines before submitting for approval.

All exterior changes require review and approval prior to installation. Many House Number submittals may be reviewed on a staff level if they meet the requirements. Please allow sufficient time for review.

This checklist is for guidance ONLY-please refer to the SRCA Architectural Guidelines for the specific requirements relating to your project. You may require additional checklists, dependent upon the type of project proposed. Please see *plan my project* at www.scottsdaleranch.org for more information, full guidelines, and applicable architectural rules.

In order to create and maintain harmony and consistency within a property, when choosing materials and finishes (for walls, fences, gates, landscaping, driveways, walkways, and hardscape elements), having a large number of different materials, textures, or designs is to be avoided. The Architectural Committee reserves the right to deny applications which would result in too many different materials, textures, or designs being visible.

Please submit the following information , in your Architectural submittal packet for SRCA review:

1. A filled out and signed architectural application is to be submitted. If completing the form fill architectural application on the SRCA website, the following information is to be emailed to the address below. *Click the blue/white house Plan My Project picture on the SRCA main page.*
2. A current picture of your house as seen from across the street as required with all submittals.
3. A picture of the house numbers that will be installed.
4. State the size, material, and color of the numbers.
5. State if these new house numbers will be installed in an existing location or a new location.
6. If it is a new location, on the current picture of the house, circle the installation location for processing.

If you have any questions, please contact Diane Botica the Architectural Liaison at 480-860-2022 or dbotica@scottsdaleranch.org.
