## A Better Way for Brush & Bulk

Place your brush and bulk piles out **no later than 5 a.m. on Monday** of your collection week. Material may not be placed for collection any earlier than three (3) days prior to Monday of the week the area is scheduled for collection.

Please separate your brush and bulk pick up into two piles: one for green waste and one for everything else.

The piles should not exceed 10-feet long by 6-feet wide by 4-feet tall. Please place green waste and bulk waste piles at least 3-feet apart from each other and away from any objects obstructing pick up.

**Your pile size limit is equivalent to 6 trash or recycle containers placed in 2 rows of 3 each.**

Learn about the do's and don'ts and program guidelines at [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov) and search "brush bulk".
