SRCA Marketing

Review of Communication avenues

- Mike Thorlin mentioned Nextdoor.com and how SRCA goes about negative comments. He stated it might be something we want to discuss further on when and if SRCA should send out a “statement” from the association on controversial matters.

AI BOT

- Reviewed incorporating an AI BOT to the SRCA website and the committee agreed it is a good idea to have available for residents and potential purchasers.
- Kathe and Genevieve to work with Bytewize regarding questions the committee brought up such as how the users data is collected; when updates are made to the SRCA website, will the BOT have that information in real time; and could we eventually incorporate sub-associations website or portals.
- If we eventually move forward with the BOT, SRCA should incorporate a disclaimer.
- Staff will do more research and bring back to the committee for further review.
