	Bill Williams	Member

OTHERS

PRESENT:	Maxwell Powers	10130 E. Topaz
-----------------	----------------	----------------

STAFF

PRESENT:	Kathe Barnes	Executive Director
-----------------	--------------	--------------------

CALL TO ORDER: Dave Specht called the meeting to order at 4:33 p.m.

APPROVAL OF

PREVIOUS MINUTES: **MOTION:** It was moved and seconded to approve the minutes from the September 16, 2025 meeting. Motion passed.

AGENDA ITEMS:

Lake Report

The committee stated there was nothing of concern on the latest lake report from Aquatic Consulting. All testing numbers looked good.

Fish Stocking

The committee reviewed the fish stocking from the fall of 2025. It was determined that the following order be placed for the spring fish stocking:

- 400 Bass (1 lb.)
- 0 Bluegill
- 45,000 minnows
- 5,000 Goldfish

Fishing Derby/Lake Fest

The event will be held on March 28, 2026. The Derby will be 8:30 – 10:30

am and the Fest 11 am – 1 pm. Age groups have been changed to:
9 and younger
10 – 18 yrs
19+

Larry and Greg will get the prizes this year again. An air horn is needed for the Derby.

Fish Condos

Doug Kiley brought a prototype for a ‘minnow’ condo to be placed under some docks. This will give the minnows some refuge with the goal to eventually reproduce; reducing the need to purchase. Homeowner docks are needed and will be solicited via email blasts. The committee will determine a date and time to get together to construct. Kathe will check to see if Aquatic Consulting has a scuba diver to help place these condos.

**OPEN
DISCUSSION:**

The committee suggested to periodically place in the email blast reminding those fishing to clean up after themselves and for everyone not to throw items into the lake.

Kathe Barnes confirmed that there are funds in the 2026 budget to continue with the microbes for the lake.

**NEXT
MEETING DATE:**

To be determined.

ADJOURNMENT:

The meeting was adjourned at 5:19 p.m.
